The data was collected from all of the municipal law enforcement agencies in Pima County, the Southern Arizona Children's Advocacy Center and the Pima County Attorney's Office.

There are more cases received by each unit that are not depicted in this report. Only the specified crime classifications were recorded here. All cases assigned through the TPD Dependent Child Unit are jointly investigated with DCS (formerly CPS) however, TPD does not document which cases in the Child Sexual Assault (CSA) unit are jointly investigated. However, any CSA case that involves a child where the suspect is a guardian or caregiver would be a joint investigation with DCS.

2. *"Extremely serious conduct allegation" means an allegation of conduct by a parent, guardian or custodian of a child that, if true, would constitute any of the following:*

(a) A violation of section 13-3623 involving child abuse.

(b) A felony offense that constitutes domestic violence as defined in section 13-3601.

(c) A violation of section 13-1404 or 13-1406 involving a minor.

(d) A violation of section 13-1405, 13-1410 or 13-1417.

(e) Any other act of abuse that is classified as a felony.

Because of item (e) above the Pima County Attorney's Office report includes: §13-3552 - *commercial sexual exploitation of a minor,*

§13-3553 - *sexual exploitation of a minor,*

§13-3212 - *child prostitution.*

The Pima County Attorney's Office CAPS data collection system allows reporting by statute charged. Some Law Enforcement agencies are able to report by the Arizona statute, while others use the Uniform Crime Reporting (UCR) system of the FBI. Adding to the problem is that when searching by statute, A.R.S. § 13-3623 and § 13-3601 include not only acts against children but against adults, thus additional vigilance of the data is needed.

Cases that occur out of the home or do not involve a family member are not within the scope of authority for DCS (formerly CPS) so they are not jointly investigated.
